

| Genus                 | Common Name                       | Scientific Name                                         | Form  | Muller | Veld | Grazing |
|-----------------------|-----------------------------------|---------------------------------------------------------|-------|--------|------|---------|
| <i>Acranche</i>       | 1                                 | <i>Acranche racemosa</i>                                | A     |        |      |         |
| <i>Acroceras</i>      | 2 Nile grass                      | <i>Acroceras macrum</i>                                 | PH    |        |      |         |
| <i>Agrostis</i>       | 3 South African bentgrass         | <i>Agrostis lachnantha</i> var. <i>lachnantha</i>       | P / A |        |      |         |
| <i>Andropogon</i>     | 4 Hairy bluegrass                 | <i>Andropogon chinensis</i>                             | P     | Y      | 3    | 3       |
|                       | 5 Snowflake grass                 | <i>Andropogon eucomus</i>                               | P     |        |      |         |
|                       | 6 Bluegrass                       | <i>Andropogon gayanus</i> var. <i>polycladus</i>        | P     | Y      | 3    | 3       |
|                       | 7 Hairy blue andropogon           | <i>Andropogon schirensis</i>                            | P     |        |      |         |
| <i>Antheophora</i>    | 8 Woolgrass                       | <i>Antheophora pubescens</i>                            | P     | Y      | 3    | 3       |
|                       | 9 Branched woolgrass              | <i>Antheophora ramosa</i>                               | P     |        |      |         |
|                       | 10 Annual woolgrass               | <i>Antheophora schinzii</i>                             | A     | Y      | 1    | 1       |
| <i>Aristida</i>       | 11 Annual bristlegrass            | <i>Aristida adscensionis</i>                            | A     | Y      | 1    | 1       |
|                       | 12 Perennial bristlegrass         | <i>Aristida congesta</i> subsp. <i>congesta</i>         | P     | Y      | 1    | 1       |
|                       | 13 Loose bristlegrass             | <i>Aristida effusa</i>                                  | A     | Y      | 1    | 1       |
|                       | 14 Fox-brush                      | <i>Aristida hordeacea</i>                               | A     | Y      | 1    | 1       |
|                       | 15 Hubbard's-bristlegrass         | <i>Aristida hubbardiana</i>                             | A     |        |      |         |
|                       | 16 Giant stickgrass               | <i>Aristida meridionalis</i>                            | P     | Y      | 2    | 2       |
|                       | 17 Single-awned bristlegrass      | <i>Aristida parvula</i>                                 | A     |        |      |         |
|                       | 18 Pilger's-bristlegrass          | <i>Aristida pilgeri</i>                                 | P     | Y      | 1    | 1       |
|                       | 19 Large-seeded bristlegrass      | <i>Aristida rhiniochloa</i>                             | A     | Y      | 1    | 1       |
|                       | 20 Purple three-awn               | <i>Aristida scabrivalvis</i> subsp. <i>scabrivalvis</i> | A     |        |      |         |
|                       | 21 Sandveld bristlegrass          | <i>Aristida stipitata</i> subsp. <i>graciliflora</i>    | P     | Y      | 1    | 1       |
|                       | 22 Robust bristlegrass            | <i>Aristida stipitata</i> subsp. <i>robusta</i>         | P     | Y      | 1    | 1       |
|                       | 23 Sandveld long-awned stickgrass | <i>Aristida stipitata</i> subsp. <i>stipitata</i>       | P     | Y      | 1    | 1       |
| <i>Bothriochloa</i>   | 24 Pinhole grass                  | <i>Bothriochloa insculpta</i>                           | P     |        |      |         |
|                       | 25 Smelly grass                   | <i>Bothriochloa radicans</i>                            | P     | Y      | 1    | 1       |
| <i>Brachiaria</i>     | 26 Annual brachiaria              | <i>Brachiaria deflexa</i>                               | A     | Y      | 1    | 1       |
|                       | 27 Sweet signalgrass              | <i>Brachiaria eruciformis</i>                           | A     |        |      |         |
|                       | 28 Sand brachiaria                | <i>Brachiaria glomerata</i>                             | A     | Y      | 2    | 2       |
|                       | 29                                | <i>Brachiaria grossa</i>                                | A     |        |      |         |
|                       | 30                                | <i>Brachiaria malacodes</i>                             | A     | Y      | 1    | 1       |
|                       | 31 Spotted-brachiaria             | <i>Brachiaria nigropedata</i>                           | P     | Y      | 3    | 3       |
|                       | 32 Schoenfelder's-brachiaria      | <i>Brachiaria schoenfelderi</i>                         | A     | Y      | 1    | 1       |
| <i>Cenchrus</i>       | 33 Buffalograss                   | <i>Cenchrus ciliaris</i>                                | P     | Y      | 3    | 3       |
| <i>Centropodia</i>    | 34 Rivergrass                     | <i>Centropodia mossamedensis</i>                        | P     |        |      |         |
| <i>Chloris</i>        | 35 Feather-top chloris            | <i>Chloris virgata</i>                                  | P / A | Y      | 1    | 1       |
| <i>Coelachyrum</i>    | 36                                | <i>Coelachyrum yemenicum</i>                            | P     |        |      |         |
| <i>Cymbopogon</i>     | 37 Broad-leaved turpentinegrass   | <i>Cymbopogon caesius</i>                               | P     | Y      | 2    | 1       |
|                       | 38 Narrow-leaved turpentinegrass  | <i>Cymbopogon pospischilii</i>                          | P     | Y      | 2    | 1       |
| <i>Cynodon</i>        | 39 Quick grass                    | <i>Cynodon dactylon</i>                                 | P     | Y      | 1    | 1       |
| <i>Dactyloctenium</i> | 40 Chicken foot                   | <i>Dactyloctenium aegyptium</i>                         | A     | Y      | 1    | 1       |
| <i>Danthoniopsis</i>  | 41 Wild oats                      | <i>Danthoniopsis dinteri</i>                            | A     | Y      | 2    | 1       |
|                       | 42 Rock oats                      | <i>Danthoniopsis ramosa</i>                             | P     | Y      | 2    | 2       |

|                     |    |                         |                                                |        |   |   |   |
